

May 8, 2008,

AFA Members, there are a few items I want to bring to your attention. First, on the legislative side, you can find the status of the 2008 National Defense Authorization Act and what positions your AFA took on each ... on our website at: <http://www.afa.org/grl/ndaa.pdf> I should warn you the document is 60 pages long ... but we put it up to show you the complexity of the Legislative problem.

Secondly, our 2008 legislative priorities are fairly well expressed with the briefing also located on our website at: http://www.afa.org/grl/2008_Goals.pdf I would caution you that there are a lot of other issues we are working other than those listed ... but I wanted you to see our priorities. You should know these items are the ones we have heard the most about ... **from you** ... the individual member.

3rdly, our 2007 Annual Report is now available on the web at: <http://www.afa.org/annualReport/AnnualReport2007.pdf> Those of you who are AFA leaders, Thunderbird Society members, and wings club members will be receiving one in the mail shortly. Kudos to the entire staff for pulling this together. I want to publicly thank and acknowledge those members and friends who have supported AFA. Your help has made our many programs successful.

4th - I'm really excited about some of our member benefits. I've listed the new ones below. The AFA Mall is one benefit which should have the broadest impact for our member base. Lots and lots of stores will give you discounts ... I have shopped there and ... other than some administrivia in setting up my account, it works great. Give it a try and let us know what you think (to AFA Member Services: Service@AFA.org)

Best

Prescription Discounts

Visit <http://www.dprxcad.com/AFA>, enter your name and e-mail address and print your Prescription Discount Card.
