

Air Force Association Chapter Matching Grant (OTE) Other than Education

Objective

The Chapter Matching Grant (OTE) program is designed to promote activities at the chapter level that support the AFA Strategic Plan Goals. The program allows AFA National Headquarters to assist aggressive chapters who are working on new program and activities focused on veterans, cadets, families of deployed troops, active duty, Guard, reserve forces. and who are working to build a building a better understanding of the Air Force in the broader community.

Requirements/Selection Criteria

- The chapter must meet all basic criteria
- The chapter president must submit the Chapter Matching Grant (OTE) form completely filled out with a one page typed narrative. The narrative must outline the activity and the measures the chapter is taking to promote and carry out new activities related to the AFA Strategic Plan Goals, e.g. veterans, cadets, families of deployed troops, active duty, Guard and reserve forces.
- The request must equal the amount of funds the chapter plans to contribute to the event/activity with
- An annual ceiling of \$1,000. Chapters may submit more than once during a calendar year, but may not exceed the annual ceiling of \$1,000. The minimum grant submission is \$200.
- A one-page after-action report of the activity or event with photographs is required. If the report and photos are not received from the chapter in a timely manner (30-days after the event), future grant submissions will be returned without review.
- The grant may not be used for the funding of recurring programs or activities, educational programs (use the Chapter Matching Grant application form), events that are purely social or to fund events/activities the chapter has already conducted.

Grant Allocation

- Funds are mailed to the chapter president, matching amounts of funds spent by the chapter.
- No chapter will receive more than \$1000 in grant in given year.
