MEMORANDUM FOR ALMAJCOM/FOA/DRU CC
DISTRIBUTION C

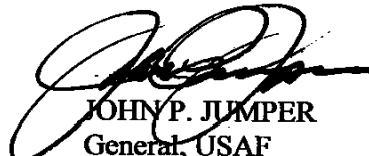

FROM: HQ USAF/CC
1670 Air Force Pentagon
Washington, DC 20330-1670

SUBJECT: 2002 Air Force Association Membership Drive

The Air Force Association (AFA) will soon begin its annual membership drive. AFA and its members have worked hard to strengthen the Nation's defenses by actively promoting and furthering the interests of the United States Air Force for over 50 years.

The theme for the 2002 drive is "AFA and You: Assuring America's Aerospace Excellence." While individual participation in the AFA is a personal choice and a completely voluntary decision, commanders may provide factual information about the AFA membership drive through official channels as a matter of general interest to the Air Force community.

Membership support of the AFA, and similar professional military associations, is vital to the continued success of these organizations and its ability to support the United States Air Force. I hope you will help the AFA spread the word about their membership drive. To that end, please ensure the widest dissemination of this memorandum to subordinate commanders.
