

# Aerospace Education Achievement Award Nomination Form

<i>AFA NATIONAL USE ONLY</i>	
<i>Membership Verification</i>	_____
<i>Membership Expiration Date</i>	_____

Refer to [Field Operations Guidebook](#), Chapter 14  
<https://www.afa.org/membership/field-awards>

### AFA AE Achievement Award Criteria:

- **Any AFA Chapter that completes the three Aerospace Education goals under AFA Strategic Plan Theme 1 during the timeframe of May through April will receive the Aerospace Education Achievement Award.**  
 Theme 1: Educate the public about the critical role of aerospace power in the defense of our nation.  
 The 3 Aerospace Education goals of Theme 1 are:
  1. Implement the AFA Chapter Teacher of the Year recognition program.
  2. Participate in at least one STEM education program. The program could include, but is not limited to, an aerospace education program.
  3. Interact with at least one AFJROTC unit or one CAP unit within the Chapter area. Two examples are given below but these are not all-inclusive.
    - a. One example is attending an AFJROTC unit Award event to present the AFA Cadet of the Year Award.
    - b. A second example is speaking to AFJROTC or CAP cadets about AFA education programs.
    - c. If a Chapter has no AFJROTC or CAP unit in their area, the Chapter will include a statement to that affect and can still qualify for an Aerospace Education Achievement Award.

**NOTE: Submit fully completed form to AFA National at [field@afa.org](mailto:field@afa.org) by May 1<sup>st</sup> award deadline.**
