

AFA State Annual Activity Plan (AAP) (Updated: December, 2023)

Introduction:

The Annual Activity Plan is a way for you to project and prepare for the activities that you wish to accomplish over the coming calendar year. State Organizations are required to complete an Annual Activity Plan and Financial Plan, submit Semi-Annual Activity and Financial Reports and update their Officer Rosters each year to remain in good standing and be eligible for any available support funding. Your AAP (approved by the Region President) is <u>due to Field Services by 31</u> <u>December</u>, so let's get started.

Preparation:

- L) Before you even find and open up a new State AAP, you should look to pull in some information.
 - a) Pull up, or print a copy of your previous Annual Activity Plan from you organization's Field Leaders Portal. If you need assistance getting to it, the good folks at field@afa.org can help.
 - Bring your Executive Committee together to discuss and develop a plan of events for the coming year.

Note:

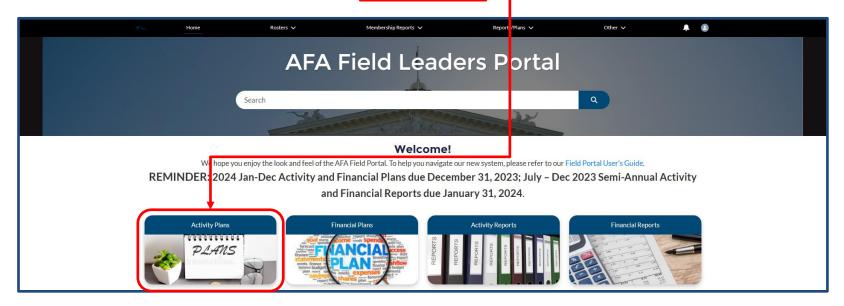

Sometimes events will fit across multiple areas. You are quite welcome to list an activity in more than one of the mission areas. For example, a school program where you talk about the Air Force and its mission, provide a scholarship to an Airman's dependent, and recognize a CyberPatriot Team, would easily fit in three of the mission areas.

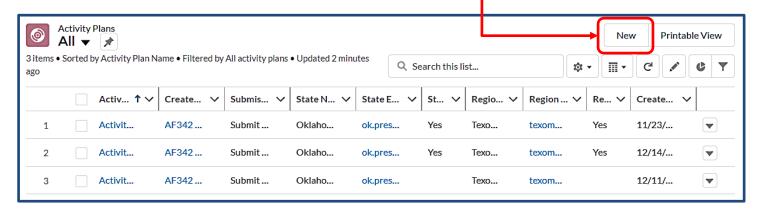

Mission Area Descriptions

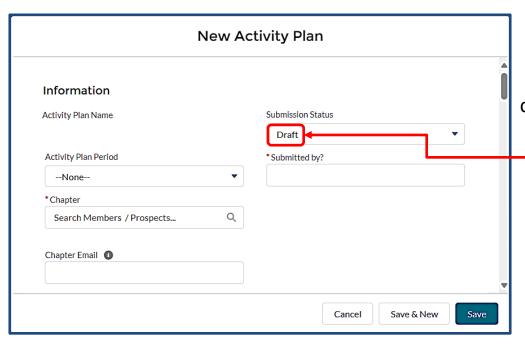

- c) The plans (and reports) are organized along four overarching mission areas: Education, Advocacy, Support, and Communication. Here is a brief summary of the types of activities envisioned in the four areas (Note: these are illustrative and not limiting):
 - i) Education: This is primarily about the education of our youth: encouraging them to pursue STEM studies & assisting educators in the same endeavor; promoting/participating/supporting CyberPatriot and StellarXplorers; work with Civil Air Patrol (CAP), AFJROTC, AFROTC units (to include Arnold Air Society and Silver Wings).
 - **ii) Advocacy**: Obviously the first thing that comes to mind is associated with working with your legislators. This is important, but the "advocate" mission is also much more. It includes state and local leaders and even the community at large. Our goal is to promote a community understanding of, and support for, a strong air, space and cyber defense. Conducting forums and presentations help in promoting that understanding.
 - **iii) Support**: Our Airmen & Guardians (current and former Active, Guard, Reserve, and AF/SF Civilians) and their families are making (or have made) sacrifices. We owe it to them to provide what support we can. Recognition and award programs, Wounded Airman, and family support are examples of activities that could be captured in this area.
 - **iv) Communication**: We must communicate with our members to inform them of state organization activities, to invite or encourage them to participate and pass on other important AFA information. Newsletters, social media and social events are activities that fit in this area. We must also make an effort to reach out to new and prospective members.

- 2) With an idea of what you want to accomplish over the next year, you are now ready to head to your Field Leaders Portal and start your <u>new</u> State Annual Activity Plan.
 - a) On your Field Leaders Portal, select Activity Plans

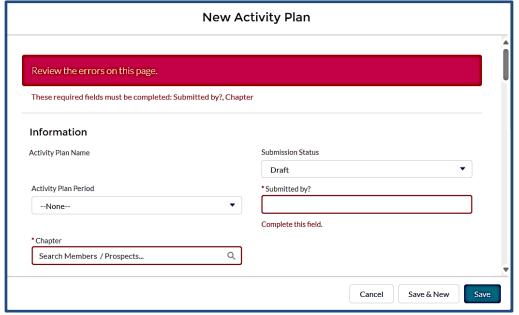

b) And on the resultant page, select New.

c) IMPORTANT: Once you have the plan open, take note that it is already in Draft status. Don't change this until you are ready to submit your plan for approval...we'll cover that later.

- d) You'll also quickly notice that you cannot initially save the new Activity Plan until you have filled in two items.
 - i. The name of the person submitting the Plan (usually the president or secretary)
 - ii. The "Chapter" block (click on the box, and select your State Organization when it pops up).

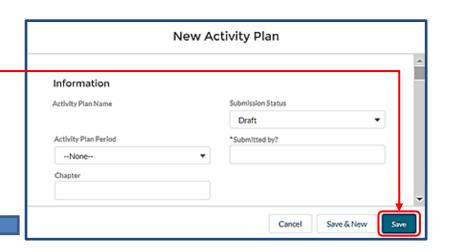

By the way, every time you decide to save your document (which should be often) you will pop yourself out of the edit page, back to the actual Plan (below).

Submitting the Plan:

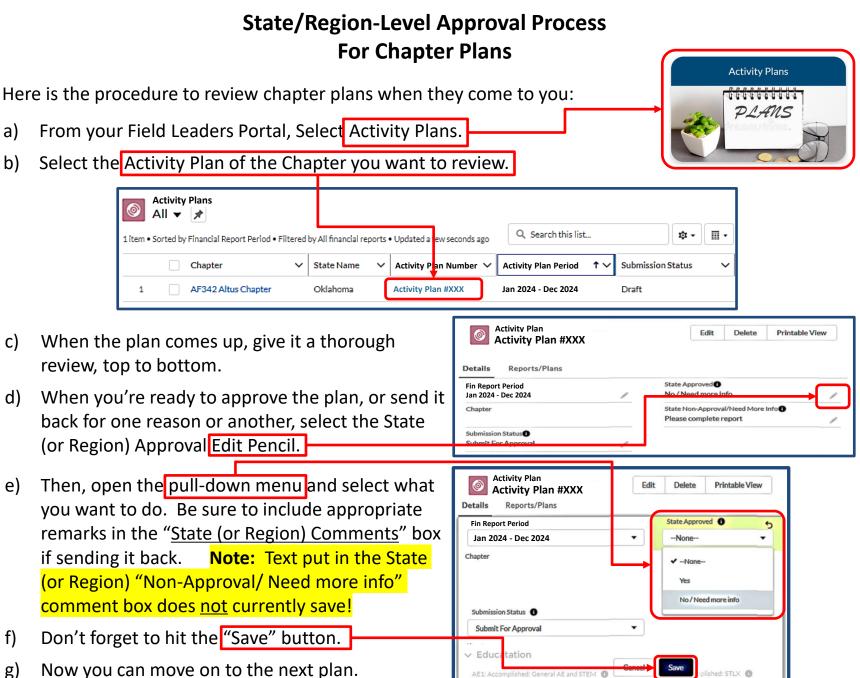

- h) When your team has finished the plan, select State-Submit for Approval from the Submission Status pull-down menu, and then select SAVE.
- Once you have your AAP submitted, your State President will give it a review.
 - a) The Region President will either approve it with a "Yes", or disapprove it with a "No/Need more info" (to send it back to you for corrections/clarifications as required). Any reason for non-approval should be clearly stated in the State or Region's "Non-Approval/Need More Info" block.
 - b) Once the Region President approves the plan, the process is complete.

d) Be pro-active...the Region president has a large number of plans to review. As the 31 December AAP submission deadline approaches, a friendly phone call, text or email to your Region President may be helpful if the Region approved block doesn't say "Yes".
