

FIELD REPORTING FORMS

Plan and Report Forms

You can find all applicable Plans and Reports below. For your convenience we have created different applications, based on your preference. Please download the forms of your choosing and save to your computer first. Then, open them, fill them out and re-save to your computer before sending to your State or Region President, respectively.

Below are the different applications but please these important instructions before proceeding:

To download the form you want:

- Click or tap on the link for it below.
- When it opens, click or tap “Download” at the upper-left corner of the screen.
- Save the file on your computer.
 - With Firefox, select the “Save File” option in the pop-up window.
 - With Chrome, select “Open,” then click or tap the “Download” icon in the upper right corner of the screen (in the drop-down band).
 - With Edge, select “Open,” then click or tap the “Save As” icon in the upper right corner of the screen.
- DO NOT try to complete the form with your web browser’s PDF reader extension. The form will not work properly.
- Open the form in your PDF reader program, such as Adobe’s Acrobat Reader. If you need to download Acrobat Reader, [click here](#). Be sure to

uncheck the option to also download the McAfee antivirus program they offer.

- If your support payment values on page 1 of the PDF report forms do not match what they are on page 2, make one small change or entry, even a zero in an otherwise blank field, and the page 1 support payment field will update to the right number.
