

**AIR FORCE ASSOCIATION
AIR FORCE JROTC GRANT APPLICATION**

Aerospace Science Instructors:

The AFJROTC Grant was established to promote aerospace education throughout classrooms and units.

We hope you take this opportunity to enhance your students' ideas on how aerospace plays a prominent role in today's and tomorrow's society. Applications will be judged by the importance and the impact your selected aerospace activity will have on your students. This is an opportunity to heighten your students' interest in aerospace education activities.

HOW THE AFJROTC GRANT WORKS:

- Grants are issued twice a year. Deadlines for applications are October 10 and February 10.
- Complete the form and attach the business card of the principal or of the school. Send your application to the ROTC address at the bottom of the form.
- AFJROTC grants provide your units and classrooms with up to \$250 every other academic year.

ACTIVITIES FOR WHICH YOU MAY USE THE GRANT:

- Funds may be used for any aerospace education related activity from purchasing textbooks or videotapes, to going on a field trip to an aerospace museum, Air Force base or other aerospace facility. You may not use the grant for purchasing uniforms, honor guard or color guard activities, etc.

RECEIVING THE GRANT:

- Aerospace Science Instructors will receive the grant in one lump sum.
- Funds may be divided between multiple aerospace activities.

CRITERIA:

- AFJROTC units may apply for a grant every other academic year.
- While the application is sufficient to process the grant, we will request that you complete a one page feedback form which describes how you plan to use the grant.
