

AIR FORCE ASSOCIATION

The Air Force Association invites you to an exclusive screening of the movie [The Last Full Measure](#) prior to its nationwide release in October. The film describes the story of Airman William H. Pitsenbarger Jr. who, 34 years after his death, was awarded the Medal of Honor for his heroic actions. The film features award winning actors Samuel L. Jackson, Ed Harris, William Hurt, Peter Fonda and Jeremy Irvine.

AFA's screening will be held in conjunction with our 2019 AFA National Convention and our Air, Space & Cyber Conference at the Gaylord National Resort on Sunday, September 15th at 7:30 p.m. A reception will precede the movie from 7:00 p.m. – 7:30 p.m. Limited seating available for the screening and is on a first-come, first-served basis until capacity is reached.

We are pleased to announce that Mr. Todd Robinson (Director/Writer) and Mr. Sidney Sherman (Producer) have kindly agreed to be at AFA's screening and to answer your questions about the production immediately afterward.

In lieu of charging admission to the event, we are encouraging attendees to donate to the Air Force Association's Pitsenbarger Award Program which assists enlisted Airmen who

have graduated from the Community College of the Air Force, allowing them to further their education and personal development. Over the last ten years, the Air Force Association has awarded \$1.3 million dollars to enlisted Airmen to further their education. Even if you are unable to join us for this special screening, we encourage you to donate to our Pitsenbarger Award Program by visiting this [page](#).

We hope you can join us at this special event that honors Airman Pitsenbarger and helps continue the legacy of AFA's Pitsenbarger Program.

Thank you for your support of AFA's Pitsenbarger Award Program and aerospace education! Please RSVP and donate by August 15, 2019 to reserve your spot by clicking the link [here](#).

Sincerely,

Bruce "Orville" Wright
