

# How to Find and Log In to Your AFA E-mail Account

1. Go to the AFA web site: [www.afa.org](http://www.afa.org).
2. At the top of the home page, click on **Community | Chapters & Field.**

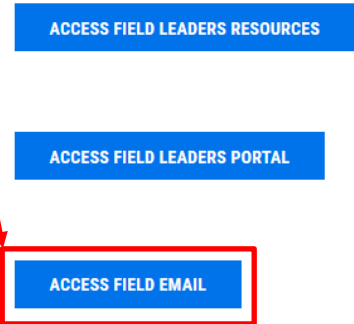

3. On the Community | Chapters & Field page, scroll down until you see three blue boxes on the right side of the page. The third one is **“ACCESS FIELD EMAIL.”** Click it.

## COMMUNITY CHAPTERS & FIELD

We want our community to feel empowered with the latest knowledge. And then with that knowledge—take action. AFA continuously works to connect members both in-person and at their convenience online. From local chapter meetings to 9,000-attendee conferences, you can feel connected to your AFA member community anywhere, and at any time. Being an Airman isn't a part-time job. It's a lifelong honor.

## Find Your Chapter

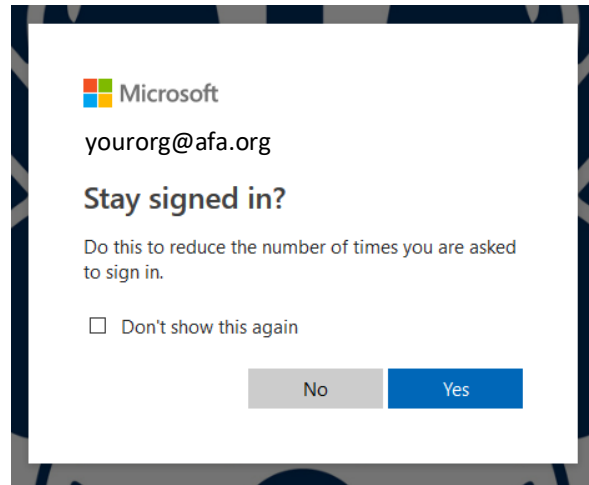

4. Sign in with your Region, State, or Chapter username by clicking on the one provided. If you're not sure what that is, [Table 1](#) at the end of this checklist lists the Region Presidents' usernames, [Table 2](#) lists the State Presidents' usernames, and [Table 3](#) lists the chapter usernames. At this time, Chapter Presidents do not have unique usernames the way State and Region Presidents do.

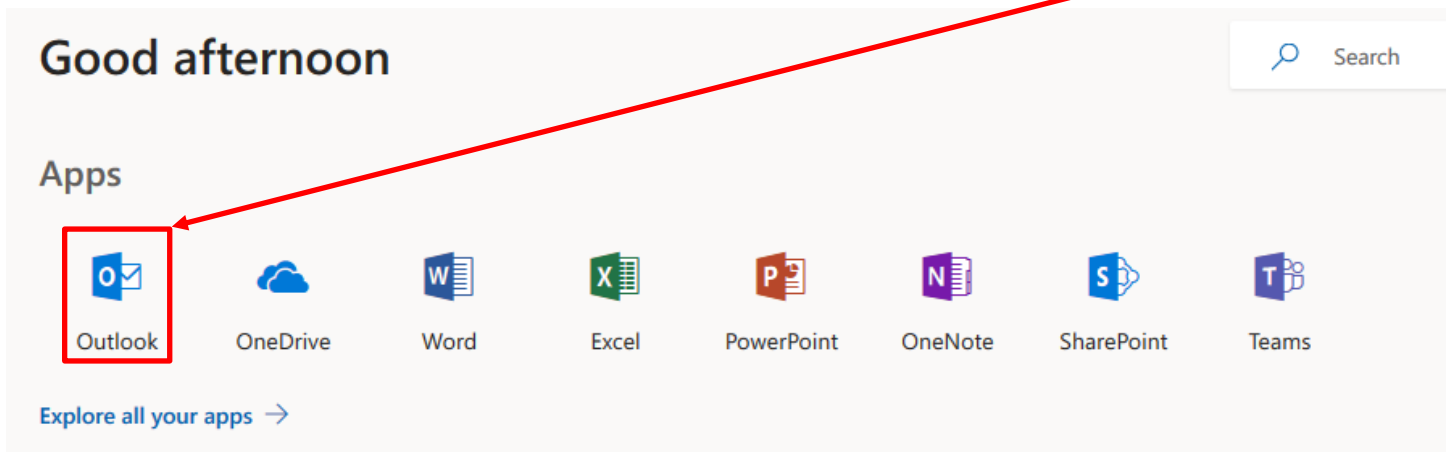

5. Enter your password. This is a DIFFERENT password than your Field Portal one. If you don't know your password, contact [fieldportal@afa.org](mailto:fieldportal@afa.org) for assistance. Click the Sign in button.

7. Chapter officers should click No on this next screen because if you stay logged in, no one else in your chapter can access e-mails sent to the chapter. State and Region officers should probably do the same.

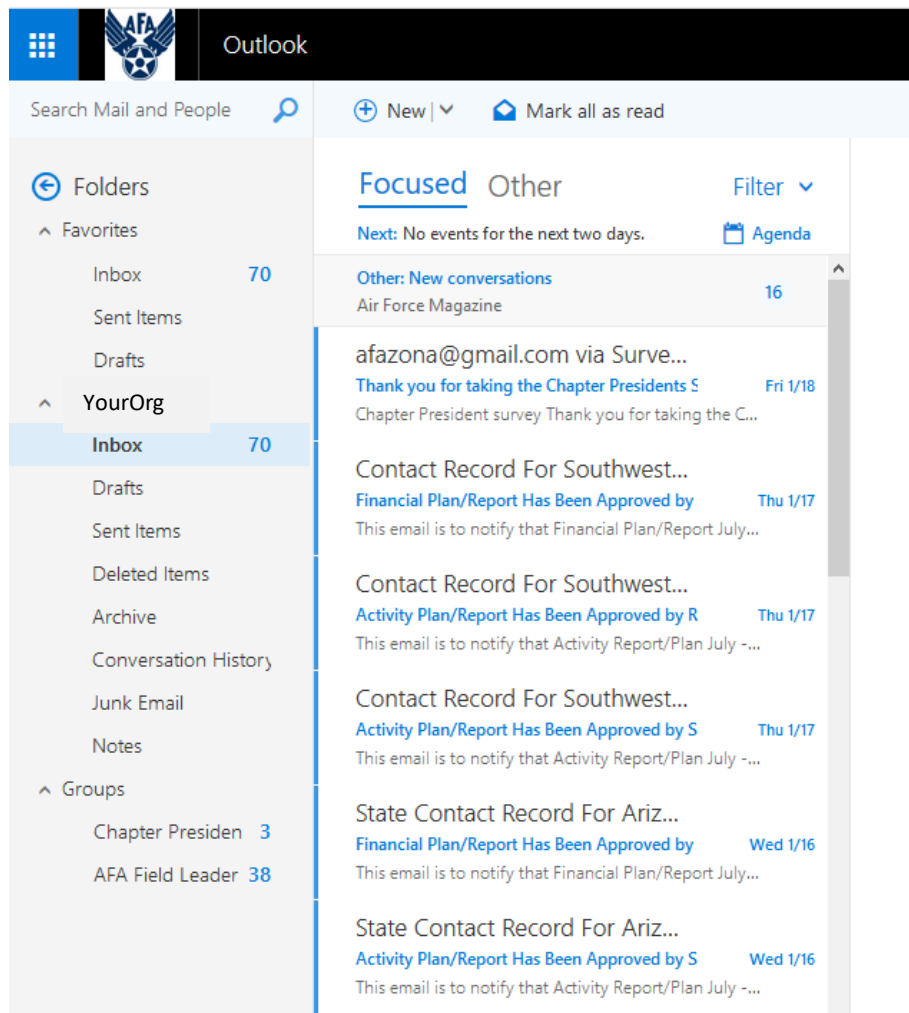

8. You are now on the Office 365 page for your organization. At the top of the page is a list of the Office 365 “apps” (programs) that are available to you. Click on the Outlook icon.

9. You will get a display showing you that Outlook is loading.

When it finishes, you will see your organization's Outlook screen. The left side of the screen will look like this.

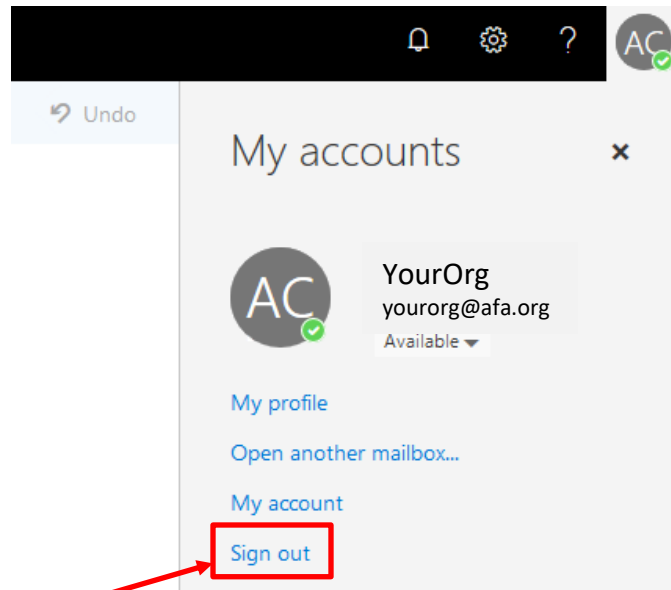

Click on any e-mail to read it.

10. When you're ready to sign out, click on the circle with one or two letters in it near the upper-right corner of the screen.

That will generate a drop-down menu.

Click **Sign out.**
