

How to Find and Log In to Your AFA E-mail Account

1. Go to the AFA web site: www.afa.org.
2. At the top of the home page, click on **Membership & Chapters.**

3. Then click on **AFA Chapters.**
4. At the top of the Chapters & Field page, you'll see four blue boxes on the right side. The fourth one is **"ACCESS YOUR AFA LEADER EMAIL."** Click it.

Get Involved With Your Local AFA Community

AFA strives to supply its members with the most up-to-date information, to gain the knowledge to take back to their own communities.

When you join AFA, you will be connected to members both in-person and online. From local AFA chapter meetings to 12,000+ attendee conferences, you will have complete access to stay in contact with your AFA member community anywhere, anytime.

Being an Airman isn't a part-time job - it's a lifelong honor.

5. Sign in with your Region, State, or Chapter username by clicking on the one provided. If you're not sure what that is, [Table 1](#) at the end of this checklist lists the Region Presidents' usernames, [Table 2](#) lists the State Presidents' usernames, and [Table 3](#) lists the chapter usernames. At this time, Chapter Presidents do not have unique usernames the way State and Region Presidents do.

6. Enter your password. This is a DIFFERENT password than your Field Portal one. If you don't know your password, contact fieldportal@afa.org for assistance. Click the Sign in button.

8. At the time this guide is being written, if you click Yes on the screen below, you will *not* keep other people from logging in. In the future, AFA will implement what’s called two-factor authentication. When that happens, after clicking “Sign in” on the previous screen, you’ll get some kind of message—either a text or an e-mail—with a code you will have to enter. When you do, no one else will be able to log in using that username/password combination. However, AFA will be providing more accounts, so Field officers will have less need to share usernames and passwords.

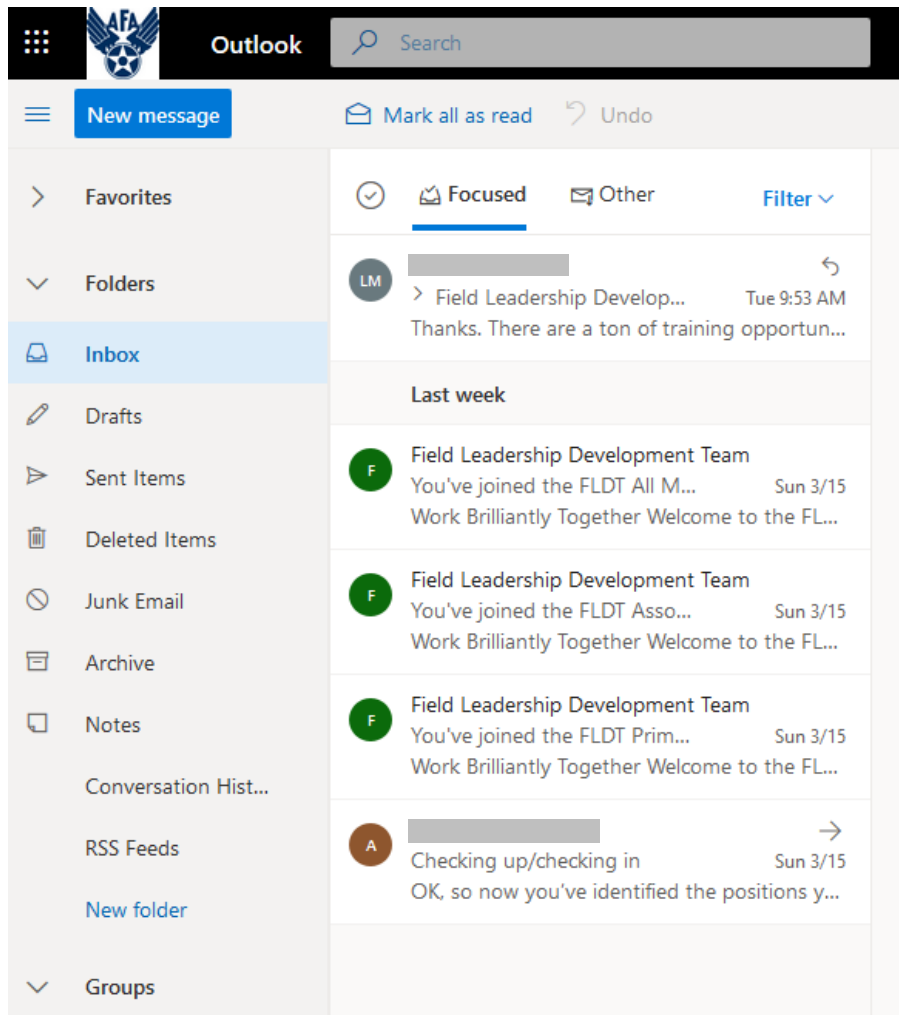

9. You are now on the Office 365 page for your organization. At the top of the page is a list of the Office 365 “apps” (programs) that are available to you. Click on the Outlook icon.

10. You will get a display showing you that Outlook is loading.

When it finishes, you will see your organization's Outlook screen. The left side of the screen will look like this.

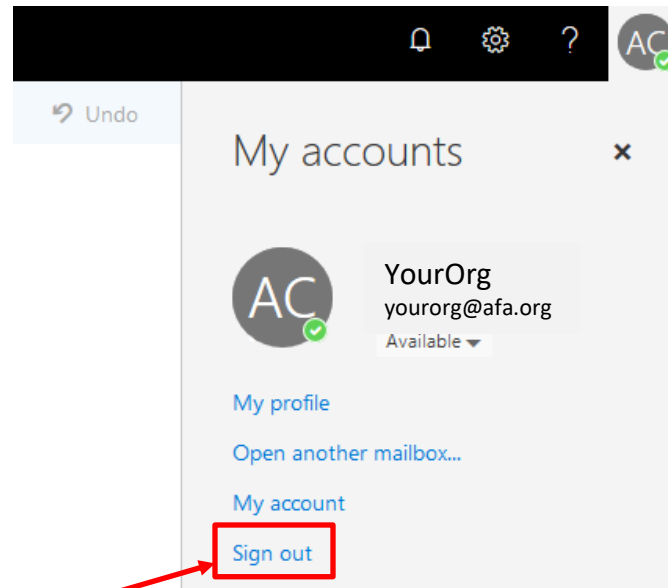

Click on any e-mail to read it.

11. When you're ready to sign out, click on the circle with one or two letters in it near the upper-right corner of the screen.

That will generate a drop-down menu.
