

Recommended AFA Field Leader Training

(March, 2021)

The Field Council Training Sub-Committee (FCTS) has put together several training modules and instructions to aid in the efficient operation of the Chapter, State and Region organizations within the Air Force Association.

This document summarizes the FCTS's specific training recommendations for each field leader, based on his or her field organization and position.

Chapter Elected Officers	pg. 1
Chapter Appointed Officers	pg. 2
State Officers	pg. 3
Region Officers	pg. 4

Please note: At the bottom of each training table there is a key explaining the three different training level categories:

"X" indicates Primary training that should be accomplished based on the requirements and responsibilities of the position.

"S" indicates Secondary training that will be helpful based of the requirements and responsibilities of the position, but should be reviewed only after the Primary (X) training has been accomplished.

"A" indicates Assumption training that should be reviewed immediately upon being newly selected or elected to a leadership position within your organization.

"A*" indicates Assumption training that should be reviewed immediately if your position has access to your organization's AFA Email account.

If you have any questions or recommendations, please forward them to...

Riq Baldwin

Chairman, Field Council Training Sub-Committee
