

AFA State Annual Activity Plan (AAP) (Updated: Nov, 2021)

Introduction:

The Annual Activity Plan is a way for you to project and prepare for the activities that you wish to accomplish over the coming calendar year. State Organizations are required to complete an Annual Activity Plan and Financial Plan, submit Semi-Annual Activity and Financial Reports and update their Officer Rosters each year to remain in good standing and be eligible for any available support funding. Your AAP (approved by the Region President) is **due to Field Services by 31 December**, so let's get started.

Preparation:

- 1) Before you even find and open up a new State AAP, you should look to pull in some information.
 - a) Pull up, or print a copy of your previous Annual Activity Plan. It should be a pdf or Excel document on your system. If you can't find it, your state or region president should have a copy. As a last resort, the good folks at field@afa.org can dig it up for you.
 - b) Bring your Executive Council together to discuss and develop a plan of events for the coming year.

Note:

Sometimes events will fit across multiple areas. You are quite welcome to list an activity in more than one of the mission areas. For example, a school program where you talk about the Air Force and its mission, provide a scholarship to an Airman's dependent, and recognize a CyberPatriot Team, would easily fit in three of the mission areas.

Mission Area Descriptions

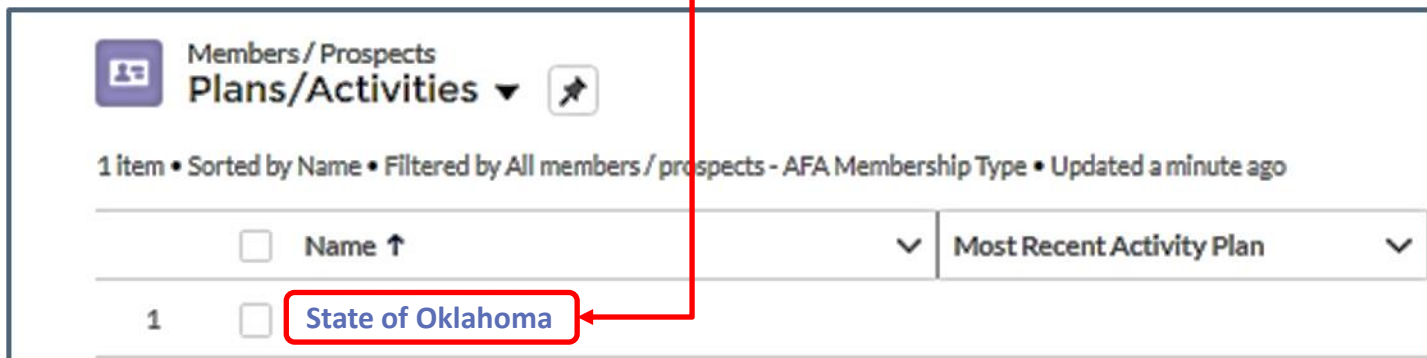

- c) The plans (and reports) are organized along four overarching mission areas: Education, Advocacy, Support, and Communication. Here is a brief summary of the types of activities envisioned in the four areas (Note: these are illustrative and not limiting):
- i) **Education:** This is primarily about the education of our youth: encouraging them to pursue STEM studies & assisting educators in the same endeavor; promoting/participating/supporting CyberPatriot and StellarXplorers; work with Civil Air Patrol (CAP), AFJROTC, AFROTC units (to include Arnold Air Society and Silver Wings).
 - ii) **Advocacy:** Obviously the first thing that comes to mind is associated with working with your legislators. This is important, but the “advocate” mission is also much more. It includes state and local leaders and even the community at large. Our goal is to promote a community understanding of, and support for, a strong air, space and cyber defense. Conducting forums and presentations help in promoting that understanding.
 - iii) **Support:** Our Airmen & Guardians (current and former Active, Guard, Reserve, and AF/SF Civilians) and their families are making (or have made) sacrifices. We owe it to them to provide what support we can. Recognition and award programs, Wounded Airman, and family support are examples of activities that could be captured in this area.
 - iv) **Communication:** We must communicate with our members to inform them of state organization activities, to invite or encourage them to participate and pass on other important AFA information. Newsletters, social media and social events are activities that fit in this area. We must also make an effort to reach out to new and prospective members.

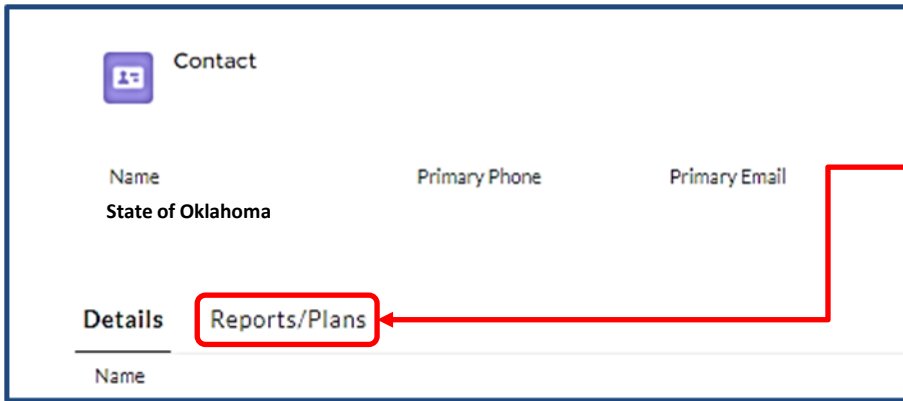

- 2) With an idea of what you want to accomplish over the next year, you are now ready to head to your Field Leaders Portal and start your new State Annual Activity Plan.
- a) At the top of your Field Leaders Portal, select **Reports/Plans**

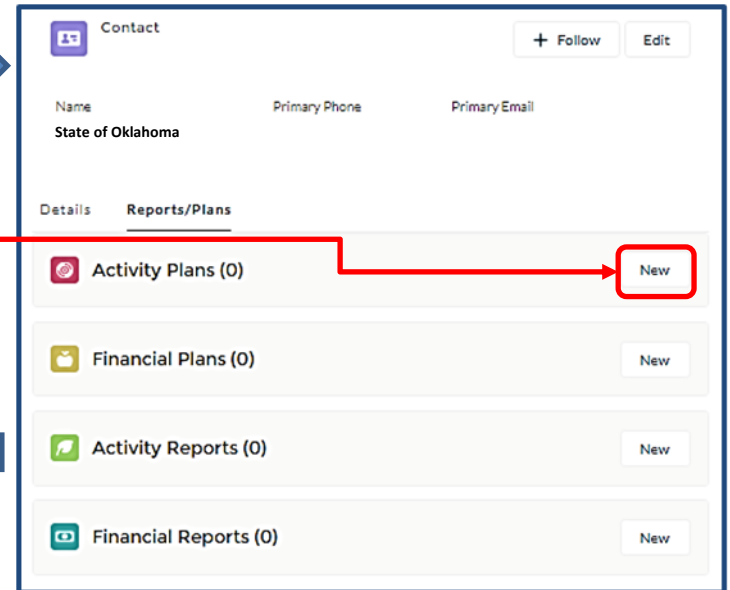

- b) Then select, or tap on **All Plans/Reports.**

- c) On the resultant page, select **your state organization.**

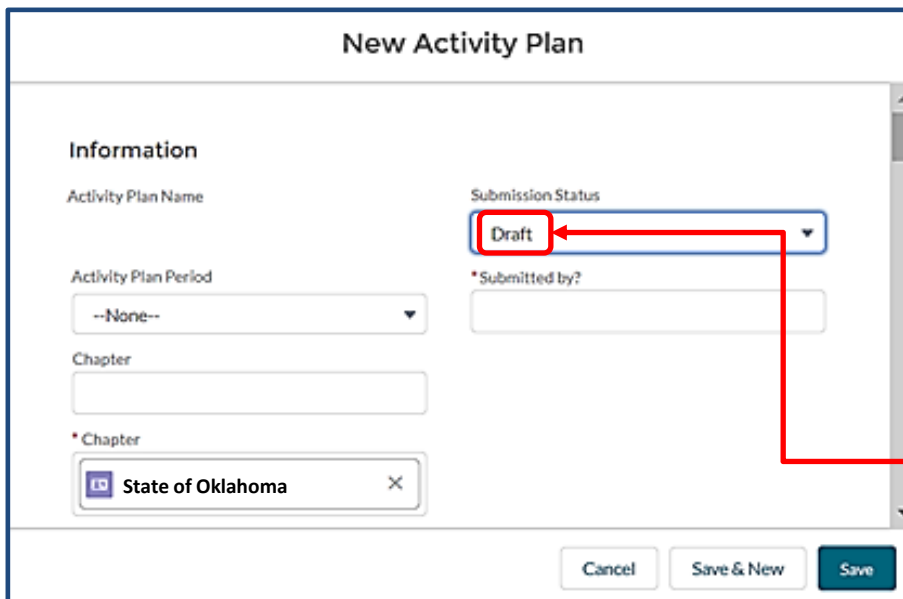

d) Now you need to select or tap on **Reports/Plans**. Yes...it's not readily apparent!

e) On this page, since you are starting a new Activity Plan, select the associated **"New"** button.

f) **IMPORTANT:** Once you have the blank plan open, take note that it is already in **Draft status**. Don't change this until you are ready to submit your plan for approval...we'll cover that later.

Completing the Plan:

- 3) Now you can start filling in the plan.
 - a) After you've filled in the three earlier mentioned mandatory items, (submitter's name, state and region), select the appropriate **Financial Plan Period** from the pull-down menu.

The screenshot shows a web form titled "Edit Activity Plan # 202". The form contains several fields:

- Activity Plan Name:** Activity Plan # 202
- Submission Status:** Draft (dropdown menu)
- Activity Plan Period:** --None-- (dropdown menu, currently open showing options: --None--, Jan 2022 - Dec 2022, Jan 2021 - Dec 2021)
- Submitted by?:** Richard Baldwin
- Chapter Email:** (empty text field)

A red box highlights the "Financial Plan Period" text in the instructions, and a red arrow points from this box to the "Jan 2022 - Dec 2022" option in the dropdown menu.

- b) **Education** – This section has four sub-areas; use the **notes** below to aid in filling them out.
- i) AE1 – General Aerospace Education (AE) or STEM Programs, **other than CyberPatriot, StellarXplorers, or Teacher of the Year.**
 - ii) AE2 – National Youth Cyber Education Program (CyberPatriot and related programs)
 - iii) AE3 – StellarXplorers
 - iv) AE4 - Teacher of the Year

Notes:

Use the **pull down menu** to enter the number of activities in each of the areas.

Keep it simple. Use just enough detail (roughly when, what and maybe where) to let those reading know your intentions.

Spacing between events isn't mandatory, but makes for easier reading.
