

AFA Chapter Semi-Annual Financial Report (SAFR) (Updated: June, 2022)

Introduction:

The Financial Report is a way for you to capture and show the income you received and the expenses you incurred during the reporting period. Chapters are required to submit Semi-Annual Financial, and Activity Reports, complete an Annual Financial, and Activity Plan, and update their Officer Rosters each year to remain in good standing and be eligible for any available support funding. Your SAFR (approved by the State, and Region Presidents) is due to Field Services by 31 July, so it's time to get started.

Preparation:

1) Before you even find and open up a current Chapter SAFR document, you should pull in some information.

a) Pull up, or print a copy of your 2022 Annual Financial Plan from your organization's Field Leaders Portal. If you need assistance getting to it, the good folks at field@afa.org can help.

b) Make a list of the activities the Chapter accomplished over the past reporting period (in this case from 1 Jan to 30 Jun 2022), and note any of them that may have generated income or cost. In addition to canvassing your various VPs and Project/Program Managers, you may wish to consider the following:

- Treasurer's Reports and/or Minutes from previous Executive Council Meetings
- Newsletters, Social Media postings and emails to the Council and Membership
- Cross check all the above with bank statements for the reporting period

c) Next, categorize each deposit and expense by AFA Mission Area (see next page).

Mission Area Descriptions

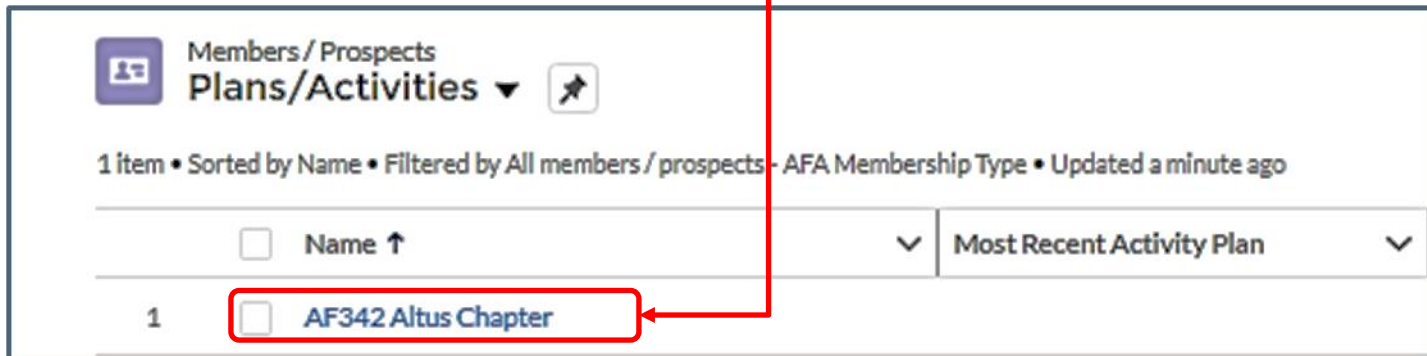

- d) Here is a brief summary of the types of activities that are envisioned in the four mission areas. (Note: these are illustrative and not limiting).
- i) **Education:** This area is about youth education; encouraging them to pursue STEM studies, and assisting educators in the same endeavor; promoting/participating/supporting CyberPatriot and StellarXplorers; work with Civil Air Patrol (CAP), AFJROTC, and AFROTC units (to include Arnold Air Society and Silver Wings).
 - ii) **Advocacy:** The first thing that comes to mind is working with your legislators. This is important but the “advocate” mission is much more. It includes state and local leaders and even the community at large. Our goal is to promote a community understanding of, and support for, a strong air, space and cyber defense. Conducting forums and presentations help in promoting that understanding.
 - iii) **Support:** Our Airmen & Guardians (current and former Active, Guard, Reserve, and AF/SF Civilians) and their families are making (or have made) sacrifices. We owe it to them to provide what support we can. Recognition and award programs, AFA’s Wounded Airman Program, and family support are examples of activities that could be captured in this area.
 - iv) **Communication:** We must communicate with our members to inform them of chapter activities, to invite or encourage them to participate, and pass on other important AFA information. Newsletters, social media, and social events are some good examples. In addition, we must reach out to prospective members.

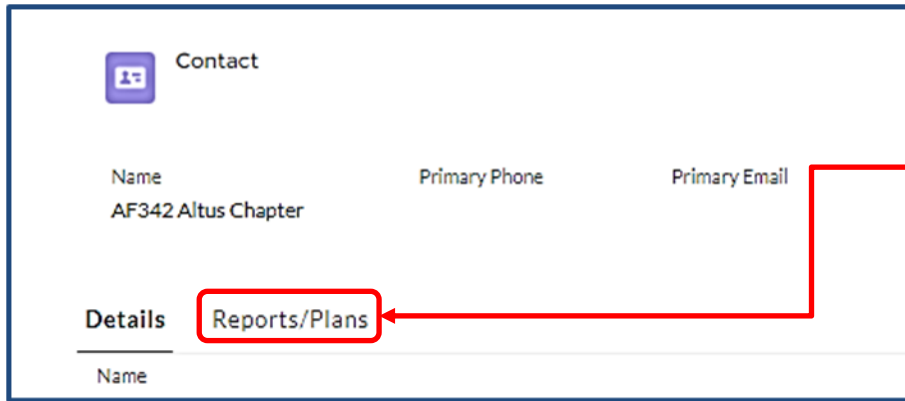

- 2) With an idea of what you've accomplished over the past semester, you are now ready to head to your Field Leaders Portal and start your new Chapter Jan-Jun Semi-Annual Financial Report.
- a) At the top of your Field Leaders Portal, select **Reports/Plans**

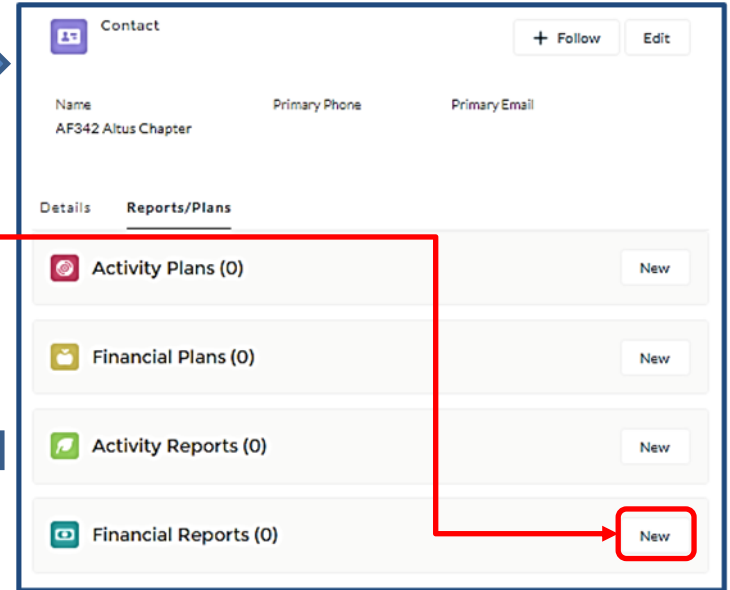

- b) Then select, or tap on **All Plans/Reports.**

- c) On the resultant page, select **your chapter.**

d) Now you need to select or tap on **Reports/Plans**. Yes...it's not readily apparent!

e) On this page, since you are starting a new Financial Report, select the associated **New button**.

f) **IMPORTANT:** Once you have the blank report open, note that the report is in **Draft status**. Don't change this until you are ready to submit your report for approval...we'll cover that later.

g) If you need to take a break, go collect some more information, or want to come back to it another day...

i. Save the report as a DRAFT one more time before you close it.

Completing the Report:

- 3) Now you can start filling in the report.
 - a) Financial Report Period: Select the appropriate dates from the pull-down menu.
 - b) Chapter Email: Will autofill when report is submitted.
 - c) Name of Treasurer: Enter the name of the person who is preparing this report.
 - d) Cash in Hand at the Beginning of the Reporting Period: Should be what you had at the end of your previous reporting period.

- 4) Income
 - a) Income from AFA National: Input the amount of income you received during this past semester from AFA National in support payments and other incentives (e.g., new members and renewal payments, etc.), even if they were earned in the prior semester.
 - b) Income from Community Partners: You can show this as the total amount you received from your CPs, or reflect the net income (subtracting the \$45/Partner you sent to National); just note if you claim the total income, you'll need to show the \$45/Partner as a debit in the Expenditures section.

The screenshot shows a form titled "Financial Report Period" with a dropdown menu set to "--None--". A red box highlights the dropdown, and a red arrow points to a red box containing "January - June 2022". Below this is a checked checkbox for "--None--". The form includes fields for "Chapter Email", "Name of Treasurer", "Cash in Bank & on Hand at START", "INAFA Receipts from AFA National", "Income from Community Partners", and "Other Income". The "Other Income" field is crossed out with a red X.

Note: Don't use this "Other Income" block...it is covered in the next report section

c) Other Income: Enter the **amount** of the additional income, and also include its **source**.

Note:

There are a total of four boxes to accommodate “other” income. If you have more than four areas, we recommend that you group similar incomes (e.g. multiple “Grants”, or “Donations” in a single Source box, with the associated total, then break them out in the “Income and Details” boxes.

5) Expenditures:

a) **Aerospace Education:** Under this section there is room to cover five areas. Like in the income section, if you had more than five expenses, group like items (e.g., scholarships, Arnold Air Society support, etc.).

Note: Don't load negative numbers in any of the blocks in this report...the software has it figured out.

Note: Unlike the Activity Report, your Financial Report cannot report the same money in multiple areas (e.g., if you provided a \$1,000 scholarship for an Airman's dependent to attend a STEM camp, you can not show \$1,000 as an Education and the same \$1,000 as a Support expense). Instead, you could say that \$500 went towards Education and \$500 towards Support (or any other appropriate percentage) or list all of the \$1,000 in either Education or Support.

The screenshot shows a web-based interface titled "Edit Fin Report # 818". The main content area is labeled "Expenditures" and contains five rows of input fields. Each row consists of a primary field and a secondary detail field. The rows are:

- Aerospace Education Expenditures #1 (Primary) and Aerospace Education Expenditures #1 Deta (Secondary)
- Aerospace Education Expenditures #2 (Primary) and Aerospace Education Expenditures #2 Deta (Secondary)
- Aerospace Education Expenditures #3 (Primary) and Aerospace Education Expenditures #3 Deta (Secondary)
- Aerospace Education Expenditures #4 (Primary) and Aerospace Education Expenditures #4 Deta (Secondary)
- EEd5 Education Expenditure #5 (Primary) and Education Expenditure #5 Purpose (Secondary)

At the bottom of the interface, there are three buttons: "Cancel", "Save & New", and "Save".

- b) **Advocacy:** Complete the Advocacy section the same way you did the Education section. Some types of Advocacy Expenses could be a brochure or materials “advocating” for an enhanced aerospace mission. A booth to promote the AF or SF and their missions is another example.
